

SMART Notebook 14

- SMART Notebook is available immediately for download on your teacher station.
- It is currently housed in the district's "Software Center". 
- If you have questions about how to download the software, contact the customer service desk, X8161, or follow the link to Technology Resources.

Brief walkthrough of downloading

- Click on your "Start" Icon 
- Type "Software Center" into the search bar  
- Click on Software Center

DOWNLOADING

- Click on the "Find additional applications from the Application Catalog" link.

The screenshot shows a software management interface with the following elements:

- Navigation tabs: Available Software (selected), Installation Status, Installed Software, Options.
- Filter: SHOW All (dropdown menu).
- Checkbox: Show optional software.
- Search: A search box with the text "SEARCH" and a magnifying glass icon.
- Callout: A red oval highlights the search box with the text "Find additional applications from the Application Catalog".
- Logo: Des Moines Community College logo at the bottom center.

DOWNLOADING

- Find SMART Notebook software and click
