

Sequence of Events

- ✓ Events happen in a story in a certain order
- ✓ Look for words: *first, then, next* and *last* to help you monitor your understanding

First, you need two slices of bread. You will also need a knife, peanut butter and jelly. **Then**, you scoop the peanut butter out and spread it on one slice of bread. **Next**, do the same with the jelly on the other slice. **Last**, put the bread together and enjoy!
